Traditional building in the center of Estepona, Málaga

Amazing investment opportunity is waiting for you here in the middle of Estepona!

The building has to be reformed completely and there is a possibility to add some more floors. It is such a great option either to buy and rent it out or live there yourself and enjoy the location and traditional Spanish life on Costa del Sol.

It is located just in the center of town, so all the amenities are around: shops, restaurants, pharmacy, colleges and only 7 min away from the beach.
